

# ALLSPORT

## 4 Way Stretch Vinyl

---

**ROLL SIZE**

40 Yards

**WEIGHT OZ PER LY**

36

**WIDTH**

54"

**ABRASION TEST**

30,000 Double Rubs

**BACTERIA RESISTANCE**

Yes

**COLD CRACK**

-60F

**FLAME RETARDENCY**

Cal 117, UFAC 1 FMVSS 302, BIFMA A

**MILDEW RESISTANCE**

Yes

**OIL RESISTANCE**

Yes

**UV RESISTANCE**

1000 hours ASTM G135-00a Cycle 1, Formerly G23-99)

**APPLICATIONS**

Marine, ATV, Contract, Commercial

---

### Cleaning Instruction

In general, most common stains can be cleaned using warm, soapy water and clear water rinses. Moderate scrubbing with a medium bristle brush will help loosen soiling materials from the depressions of embossed surfaces. For more stubborn stains, use Formula 409 commercially available mild detergent\* in accordance with the manufacturer's instructions.

Full strength rubbing alcohol or mineral spirits\*\* may be tried cautiously as a last resort on very stubborn stains, if the above suggestions do not work. Indiscriminate use of any solvent, or solvent containing cleaner, can severely damage or discolor vinyl.

Note: Detergent should never be used on a regular or repeated basis for normal cleaning. Morbern recommends repeated rinsing with clear water after any cleaning procedure.

\*When opening a new container, please test the cleaner in an inconspicuous area as cleaner manufacturers may change formula without notice.

Morbern cannot be responsible when unknown changes are made by the manufacturer of the cleaner to their formulations between our 6-month verification intervals.

\*\*Caution: Exercise care as these solvents are flammable. Use only small quantities of solvents and keep clear of any sources of ignition. Wear protective gloves and ensure cleaning takes place in a well ventilated area.
