

# eTek™ Solution-Dyed Acrylic

## Product Description

eTek™ Solution-Dyed Acrylic is a 9 oz. high-performance outdoor fabric crafted to withstand the elements while maintaining its color and structural integrity over time. Made from 100% solution-dyed acrylic fibers, it offers exceptional resistance to UV, water, and everyday wear, all without the use of PFAS. Lightweight yet durable, this fabric is ideal for awnings, marine enclosures, patio furniture, and other demanding outdoor applications.
