

eTek™ 600D Solution-Dyed Polyester

Product Description

eTek™ 600D Solution-Dyed Polyester is a high-performance outdoor fabric engineered for the most demanding applications. The solution-dyed fiber provides superior durability and UV protection, while offering exceptional color fastness, shrink and stretch resistance. Measuring 60 inches wide and boasting up to 1.5x the strength of leading fabrics, it's ideal for boat covers, awnings, tarps, and rugged outdoor enclosures.
