

Marine **ProVinyl**

Superior anti-pinking and UV protection backed by the industry's best warranty.

Product Description

Superior anti-pinking and UV protection backed by the industry's best warranty. Engineered with a three-layer structure including a premium antimicrobial core, it boasts exceptional UV resistance and long-term mold and mildew prevention. With a durable polyester backing, CushionCraft Marine ProVinyl ensures the perfect mix of comfort, stability, and workability in the harshest marine environments. Elevate your marine experience with premier comfort and longevity.

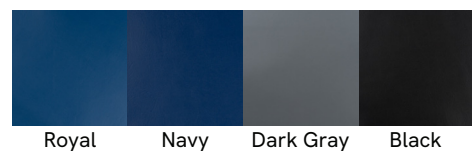

Key Product Features

- Exceptional UV & Fade Resistance
- Prevents Microbial Pinking
- Weather, Mold, & Mildew Resistance
- Soft & Comfortable
- Stain Resistant & Easy to Clean
- Industry Leading Warranty

Size/Dimensions

54" width. Sold by the yard or by the full 30 yd. roll.

CARE & CLEANING

To prevent buildup of dirt and contaminants, which may cause permanent staining, periodic cleaning is highly suggested. The frequency of cleaning is dependent upon the environmental conditions the material is subjected to.

For normal cleaning: most stains can be easily cleaned using warm, soapy water and clear water rinses. Moderate scrubbing with a medium bristle brush will help loosen soiling materials from the depressions of embossed surfaces.
